

I Still Miss Someone

Martina McBride

At my door the leaves are falling
A cold, wild wind has come
Sweethearts walk by together
And I still miss someone I go out to a party
And look for a little fun
But I find a darkened corner
'Cause I still miss someone Oh, I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there Oh, I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there
