

# Complicated

## Submersed

Hey, what's your name?  
I've been crawling on my fingers for so long  
Shame, is your blame  
You think of a better dayIt shouldn't be so complicated  
'Cause I've been looking for this for so, so long  
And I can't believe that many things are overrated  
So, I will follow you downThen it happens againBlame, that's your game  
You've been pointing fingers at me for too long  
Fame, is all you gain  
You think of a better dayIt shouldn't be so complicated  
'Cause I've been looking for this for so, so long  
And I can't believe that many things are overrated  
So, I will follow you downThen it happens again  
Then it happens again  
Then it happens again  
Then it happens againIt shouldn't be so complicated  
'Cause I've been looking for this for so, so long  
And I can't believe that many things are overrated  
So, I will follow you downSo, I will follow you down  
I will follow you down
