## Puro Instinct

Guess when it's all said and done  
I should throw it away  
cuz it really doesn't matter  
and the truth is I don't even know what I meant anyway  
but I'm locked into a pattern  
and wishing fiction into fact doesn't make head-space for the time I can never get back  
and I'm always on my own all alone and crying  
but I guess that's what I get for trying  
and I'm always on my own all alone and crying  
but I guess that's what I get for trying  
Seen everything in my life that I needed to see  
to know that unconditional love is for those who believe that it really doesn't matter  
but I'll keep on hangin on  
to the faith that keeps on stringin me along  
and I'm always on my own all alone and crying  
but I guess that's what I get for trying  
and I'm always on my own all alone and crying  
but I guess that's what I get for trying
