Fields

The Lilac Time

I've been living in the fields
I've been sleeping in the hedgerow
I've been looking for a friend
I've been looking for a friend
I'd like to know
And if you'd like to know

You know you know what I mean
You know you like where I've been
I know I know how you feel
I know what you feel is real

You've been riding in the garden
In the darkness of
You ride a lot like me
You've been riding on the horses
In the blackness oh
That touched the trees
You knowâ€¦
