

# Miller's Angels

## Counting Crows

Miller's angels in black and white  
Welcome everyone in  
Children dreamin' of wrong and right  
Wrapped in grace and in sin They come out of the blue sky  
They come out of the blue  
They come out of the blue sky  
But you never know where they're gonna go  
Hey Romeo Miller's fingers are travelin'  
Down the length of her thigh  
But Miller's mind is still wanderin'  
Starin' up at the sky They come out of the blue sky  
They come out of the blue  
They come out of the blue sky  
But you never know where they're gonna go  
Hey Romeo  
Oh you never know, where they're gonna go  
Hey Romeo Don't, don't, don't, don't, don't, don't, don't, don't come around  
Don't, don't, don't, don't, don't, don't, don't, don't, don't come around  
Please don't, don't, don't, don't, don't, don't come around Miller's angels are hoverin'  
In between the earth and the sun  
In the shadow of God's unwavering love  
I am a fortunate son They come out of the blue sky  
They come out of the blue  
They come out of the blue sky  
But you never know where they're gonna go  
Hey Romeo No, you never know, where they're gonna go  
Hey, hey Romeo  
No, oh no you never know, where you gonna go  
Hey Romeo Can't you hear me? 'Cause I'm screamin'  
I did not go outside yesterday  
Don't wake me please  
Don't wake me, 'cause I was dreamin'  
And I might just stay inside I don't go out much these days  
Yeas sometimes I stay inside all day  
Leave me, leave me, leave me, leave me alone  
Won't you leave me, leave me, leave me, leave me alone?  
Just leave me, leave me, leave me, leave me alone  
Won't you leave me, leave me, leave me, leave me alone?  
Won't you leave me alone?
