

Good God's:// Urge!

Porno for Pyros

Good Gods don't take away my father

 Give him back his legs

 Don't take away his heart

Don't take away, his sun, his mind, his familyGood Gods don't take away my father

 Give him back his legs

 If you can't help him

Then you can take me, his son, his mind, his heartI'm his family

 I'm his family

 I'm his familyGot shark mark on my skin

 Make it where I can see him full of health and hungry

 I want a shark mark on my skin

 Make him fast, hake him swim, he was raped and died lonelyUrge

 Give me urge

 Give me urgeHis eyes say kill to look at

 Trust no man he mean as sin

 Shame won't make you desperate

 Feels like it's eternity always leaning and desperateGive me urge

 Just give me urge

 Give me urge
