

Satellite of Love

The Velvet Underground

Satellite's gone up to the sky
Things like that drive me out of my mind
I watched it for a little while
I love to watch things on TV Ooh, satellite of love, ah, satellite of love
Ooh, satellite of love, satellite Satellite's gone way up to Mars
Soon it will be filled with parking cars
I watched it for a little while
I love to watch things on TV Ooh, ah, satellite of love, ha, satellite of love
Satellite of love, satellite I've been told that you've been bold
With Harry, Mark and John
Monday, Tuesday, Wednesday, Friday
Harry, Mark, and John Satellite's gone up to the sky
Things like that drive me out of my mind
I watched it for a little while
I love to watch things on TV Ooh, satellite of love, ha, satellite of love
Ooh, satellite of love, satellite of Satellite
Satellite
Satellite
...
