

For the First Time (with Lehua Kalima-Heine)

[Keali'i Reichel](#)

Are those your eyes, is that your smile
I've been lookin' at you forever
But I never saw you before
Are these your hands holdin' mine Now I wonder how I could of been so blind
For the first time I am looking in your eyes
For the first time I'm seein' who you are
I can't believe how much I see When you're lookin' back at me
Now I understand why love is
Love is for the first time
Can this be real, can this be true Am I the person I was this morning
And are you the same you
It's all so strange how can it be
All along this love was right in front of me For the first time I am looking in your eyes
For the first time I'm seein' who you are
I can't believe how much I see
When you're lookin' back at me Now I understand why love is
Love is for the first time
Such a long time ago
I had given up on findin' this emotion ever again But you live with me now
Yes I've found you some how
And I'VE never been so sure
And for the first time I am looking in your eyes For the first time I'm seein' who you are
Can't believe how much I see
When you're lookin back at me
Now I understand why love is
Love is for the first time
