Chinaberry Tree

Mew

In parallel sea what would I be?

My first love said to me

"Tears out for the world to see"

I would not be, I did not see the Chinaberry treeTears out, it would feel so

Heavenly, heavenly, heavenly

Hard now to picture a me

Without a you, out a youDon't interfere

Part of her back was frozen

For the remainder of the war

Don't be concerned

But I never learned how not to beAs my first love said to me

"I don't care, I'm not there"So that I could not sleep

My whole being was falling apart

So that I soon cried out

"Dear friends, hold me"
