Drake

Hermes link, ice blue mink
Tat on my ribs like I do not know what permanent is
They want me gone, wait for the kicker
Bury me now and I only get bigger, that's word to my niggaYeah, October Firm in the cut
Stay at the top like I'm stuck, that's just how I'm giving it up
She wanna get married tonight, but I can't take a knee 'cause I'm wearing all white
Me and my broski are twins but we don't look alike
I don't take naps
Me and the money are way too attached to go and do that
Muscle relax
That and a spliff put me right on my back, I gotta unpack
Virginia Black
I could go make enough money off that and not even rap
What's that? Facts
Contract max, I gotta bring that shit backHermes link, ice blue mink
Tat on my ribs like I do not know what permanent is
They want me gone, out of the picture
Bury me now and I only get bigger, that's word to my, word to myI'm so hot yeah, I'm so right now
Who's not gang bitch? Let me find out
Keep hearing clicks when I'm talkin' on the iPhone
Feds in the city hate to see us on a high note
I switch flow like I switch time zone
Can't get Nobu but you can get Milestone
I got a new mansion, 'cause I outgrew condo
Got a new Maybach, she wan' fuck on the drive home
Yeah, met her once and I got through
I'm never washed but I'm not new
I know I said top 5, but I'm top 2
And I'm not 2 and I got 1
Thought you had one, but it's not one, nigga nah
