Hopeless (feat. Cashmere Cat)

Halsey

She doesn't kiss me on the mouth anymore
'Cause it's more intimate, than she thinks we should get
She doesn't look me in the eyes anymore
Too scared of what she'll see, somebody holding meWhen I wake up all alone
And I'm thinking of your skin
I remember, I remember what you told meSaid that we're not lovers, we're just strangers
With the same damn hunger
To be touched, to be loved, to feel anything at all
We're not lovers, we're just strangers
With the same damn hunger
To be touched, to be loved, to feel anything at allShe doesn't call me on the phone anymore
She's never listening, she says it's innocent
She doesn't let me have control anymore
I must've crossed a line, I must've lost my mindWhen I wake up all alone
And I'm thinking of your skin
I remember, I remember what you told meSaid that we're not lovers, we're just strangers
With the same damn hunger
To be touched, to be loved, to feel anything at all
We're not lovers, we're just strangers
With the same damn hunger
To be touched, to be loved, to feel anything at allI miss the mornings with you laying in my bed
I miss the memories replaying in my head
I miss the thought of a forever, you and me
But all you're missing is my body, ohSaid we're not lovers (we're not lovers)
'Cause we're just strangers
With the same damn hunger
To be touched, to be loved, to feel anything at allWe're not lovers, we're just strangers
With the same damn hunger
To be touched, to be loved, to feel anything at all (anything)To feel anything at all
To feel anything at all
(You lost it)
(You lost it)
(You lost it)
