

I Be U Be (Farmhouse Sessions)

High Valley

I'll be the soldier out on the front line
You be the courage in my heart to fight
I'll be the outlaw, bounty on my head
You be my shelter, a safe place to rest
I'll be the weakness, you be the stayin' strong
I'll be the sunrise, you be the all night long Ah darlin' you're the only perfect part of me
Without you my life is incomplete
Our love's a melody that lingers on
I'll be the singer, you be the song
I'll be the singer, you be, you be the song Ooh ooh ooh ooh ooh ooh ooh ooh ooh ooh
Ooh ooh ooh ooh ooh ooh ooh ooh
Ooh ooh ooh ooh ooh ooh ooh ooh
Ooh ooh ooh ooh ooh ooh ooh ooh
I'll be the sinner out on the back row
You be salvation, savin' my soul
I'll be the sailor out on the ragin' seas
You be the lighthouse guidin' me I'll be the weakness, you be the stayin' strong
I'll be the sunrise, you be the all night long Ah darlin' you're the only perfect part of me
Without you my life is incomplete
Our love's a melody that lingers on
I'll be the singer, you be the song
I'll be the singer, you be, you be the song Ooh ooh ooh ooh ooh ooh ooh ooh ooh ooh
Ooh ooh ooh ooh ooh ooh ooh ooh
Ooh ooh ooh ooh ooh ooh ooh ooh
Ooh ooh ooh ooh ooh ooh ooh ooh I'll be the weakness, you be the stayin' strong
I'll be the sunrise, you be the all night long
Ah darlin' you're the only perfect part of me
Without you my life is incomplete
Our love's a melody that lingers on
I'll be the singer, you be the song Ah darlin' you're the only perfect part of me
Without you my life is incomplete
Our love's a melody that lingers on
I'll be the singer, you be the song
(You be the song)
I'll be the singer, you be, you be the song
