

Hicktown (Radio Edit)

Jason Aldean

Little Jimmy Jackson is jackin' up his Bronco
He's gonna lay a little rubber later on at the truck pull
All the girls are getting' pretty sprayin' on the White Rain
Yeah they're gonna get a rowdy tonight down at the football game
Yeah We let it rip when we got the money
Let it roll if we got the gas
It gets wild yeah but that's the way we get down
In a Hicktown Well you can see the neighbors butt crack nailing on his shingles
And his woman's smokin' Pall Mall's watchin' Laura Ingles
And Granny's getting' lit she's headin' out to bingo
Yeah my buddies and me are goin' muddin' down on Blue Hole Road
You know You know We let it rip when we got the money
Let it roll if we got the gas
It gets wild yeah but that's the way we get down
In a Hicktown We hear folks in the city party in Martini Bars
And they like to show off in their fancy foreign cars
Out here in the boondocks we buy beer at Amoco
And crank our Kraco speakers with that country radio We let it rip when we got the money
Let it roll if we got the gas
It gets wild yeah but that's the way we get down
Oh Oh We let it rip when we got the money
Let it roll if we got the gas
Its buck wild yeah but that's the way we get down
In a Hicktown
In a Hicktown
It's the way we get down
In a Hicktown
Yeah in a Hicktown Oh we ain't finished yet
We got you're country boys and you're redneck girls
It's the party heard round the world
Right here in Hicktown
Yeah In Hicktown
The whole town's gettin' down We let it rip when we got the money
Let it roll if we got the gas
It gets wild yeah but that's the way we get down
In a Hicktown
