Demon Souls

Jungle Rot

Resting, in your cold blood at the end
Awaiting demon souls to attend
Rising is your soul, From within
Dragged into the endless pit of sinDeceased, dethroned from life
Weeping the spirits cryLife then death, And reborn again
A battle for your soulto try and win
Another hopeless victim cannot begin
Dragged into my endless pit of sinSatan, Lives today in your mind
Your thought decayWake up, No escape, See today
Hope and PrayThe elder, Lost the way
Blasphemy unholy
