

Bad Thing

The Mowgli's

Maybe no one is the right one
I'm just tired and looking for one of these strangers
'Cause it's better than being alone
It's getting later and I'm thinking
I guess I might as well settle for one of these strangers
'Cause it's better than being alone Better than being alone-lone
Better than being alone This ain't no bad thing
If you keep coming around, things could get messy
I don't care 'cause I know this ain't the real thing, baby
Lonely lately
So what do we got to lose? (what do we got to lose?)
This ain't no bad thing
Bad thing Maybe anyone is the right one
I'm just wired, wanna have fun with one of you strangers
'Cause I'm tired of being alone
Maybe being on my own ain't such a bad thing
When I start to realize what you're doing to me It's better than being alone
Better than being alone This ain't no bad thing
If you keep coming around, things could get messy
I don't care 'cause I know this ain't the real thing, baby
Lonely lately
So what do we got to lose? (what do we got to lose?)
This ain't no bad thing
Bad thing This ain't no bad thing
First base, you got me This ain't no bad thing
If you keep coming around, things could get messy
I don't care 'cause I know this ain't the real thing, baby
Lonely lately
So what do we got to lose?
This ain't no bad thing
Bad thing
This ain't no bad thing
Bad thing
