Run Away From Time

Ray Davies

Hey, my friend
You can't run away from time
They say you can't fight fate
Time won't wait
You can't run away from timeAnd time is the avenger
But why should we just surrender to it?
Why go through it?Run, run, run, run, run, run, run away
Let's run away from time
Run, run, run, run, run, run, run awayGirl, you and me
We've got to set ourselves free this time
We must try to escape
Because it's never too late
Liberation is ours to findHey, hey, let's run away
Let's run away from time
Hey, hey, let's run awayHey, girl
Let's run away from time
We've still got mountains to climb
A day at a time
It's never too late, so why should we wait?Take me, save me, maybe, baby
Run, run, run away
Run, run, run away
Run, run, run awayThe world is too obsessed
By the continual quest
For the fountain of youth
They will never findAnd time is the avenger
But why should we just surrender to it?
Why go through it?Run, run, run, run, run, run, run away
Let's run away from time
Run, run, run, run, run, run, run away
Run, run, run away
Run, run, run awayRun, run, run away
Run, run, run away
