

# The Early Days

## Ataraxia

...the first one was moon-like coloured,  
the second was gold-like yellow,  
the third red, the fourth brown,  
the first seven buds were all of the same colour,  
the following ones began mixing."[extract from "The Book of Dzyan" by M. Blavatsky]

Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
