Mental Medication

Mental medication
Sweet music's conversation
Play for all creation here
Melody fairLost in contemplation
Drown'd in meditation
Need your inspiration nearWhen I'm alone
I remember
Truth is lastingWith the sun in your eyes
And a simple disguise
You fooled me
Strange how your calling is clearFrom the sound of your voice
You don't give me no choice
You move me
Deep lies desire for your quick'ning fireWell it's a hell of a ride
When your courage inside
Deserts you
Clear though the calling may be...In a terrible way
You continue to say
You need me
Show me the way through your dark red doorMental medication
Music's conversation
Need your inspiration near
Melody fair
