

Never In a Million

[JR Writer](#)

There are one in a million chances but I found you, you
I got lost within my senses till I found you, you
Together we are one (We are)
Forever we are one (We are)
There are one in a million, one in a million
(One in a million chances)
But I finally found you What we gonna do, gon' rock with you
Gonna bring it back alive (Yeah!) There are one in a million chances but I found you, you
I got lost within my senses till I found you, you
Together we are one (We are)
Forever we are one (We are) Now there are one in a million
chances but I found you (I found)
Together we are one (We are)
Forever we are one (We are)
There are one in a million, one in a million
(One in a million chances)
But I finally found you Woah
Woah But I finally found you What we gonna do, gon' rock with you
Gonna bring it back alive (Yeah!)
