

# overgrown

Tim Neuhaus

I don't want you to know  
I took it with me  
But when things are thrown away like they are daily  
Time passes in the constant state  
So if that is how it is  
I don't wanna be a star  
But a stone on the shore  
Long door, frame the wall  
When everything's overgrown  
But what she really really wanted was my rights in the rooms  
And I wouldn't understand that I would try to play along  
And I don't want you to know  
I took it with me  
But when things are thrown away like they are daily  
Time passes in the constant state  
So if that is how it is  
I don't wanna be a star  
But a stone on the shore  
Long door, frame the wall  
When everything's overgrown  
But what she really really wanted was my rights in the rooms  
And I wouldn't understand that I would try to play along  
And I don't want you to know  
I took it with me  
But when things are thrown away like they are daily  
Time passes in the constant state  
So if that is how it is  
I don't wanna be a star  
But a stone on the shore  
Long door, frame the wall  
When everything's overgrown  
[x2:]  
But what she really really wanted was my rights in the rooms  
And I wouldn't understand that I would try to play along  
And I don't want you to know  
I took it with me  
But when things are thrown away like they are daily  
Time passes in the constant state  
Time passes in the constant state

Time passes in the constant state  
Time passes in the constant state
