Woozy

Playa

Uh, yeah
Yo back
It's a new day
And a new era
Romeo must die, yo
I ain't talkin' just about one
I'm talkin' about all the romeos
You know why?[1] - I can see it in her eyes
She about get Broadway live, f'in with me
I can see it in her eyes
She wanna get Broadway live, f'in with me
I can see it in her eyes
Her lets in the sky, she about to get Broadway live
I can see it in her eyes
She about get Broadway live, f'in with meTake a look in my eyes
And you can see a story (story)
Tales of back in the hood
Yo I could be nasty (nasty)
He gots to be penalized
I got to steal his glory (glory)
A pretty little thing like you
Should never ever be lonely (lonely)[2] - Girl do you understand?
Do you got something for me?
Tonight I'll be your man
You're too hot to be lonely
And I hit you like a drug
I bet I'll leave you woozy
Keep me away from your friends
They'll probably try to do me, do meI sip on my Yack, I kiss on your back
I have you like ooh, ooh don't stop that
I lick on my lips, the sweat on my face
I turned up the heat in the place, yeah
You're pulling your hair I'm taking you there
I want you to lean over you chair
When we meet again we won't let it end
So shorty let me know when[Repeat 2 (2x)]I said yo do you understand?
I'll leave you woozy, woozy
Yes I will
And you can be the star of my movie

I'll make you feel like a kid in a candy store[Repeat 1][Repeat 2 (2x)]Girl do you understand?
Do you understand baby?
Are you listening?
I got you tonight baby
Ooh wee lady, ooh wee baby
Do you want it?
Ooh woozy, woozy...
