The Tide Began To Rise

Demon Hunter

I don't belong here
I never saw this on the path I walk
The blood-stained walls, the lines of chalk on the floor
Its getting so hard
I never saw the backlash, when the tide began to rise
I can't remember
The way it was when everything felt right
My mouth held shut and eyes sealed tight with control
Pre-Chorus:
So I remember on the inside
Chorus:
I found a dark, infernal place, I don't wanna face anymore
Somehow I won't stop feeding the pain
My heart's just the same as before
I found a dark, infernal place, I dont wanna face anymore,
and somehow
So now I'm stuck here
Between the guilty and the insincere
The words I've spoke have left me here all alone
I should have known this
I never saw the backlash, when the tide began to rise
I wish it all gone
I could've burned it when I had that choice
And now I'd die to kill this noise in my head
Pre-Chorus:
Chorus:
Somehow we will get rid of the inside, the inside
If this is all the love my spirit can give

There is not a reason more to live
If this is all the love my spirit can give
Just take it back tonight
There is not a reason more to live
If this is all the love my spirit can give
Just take it back tonight
There is not a reason more to live
If this is all the love my spirit can give
Just take it back tonight
There is not a reason more to live

If this is all the love my spirit can give
(Somehow we will get rid of the inside, the inside)
Just take it back tonight
There is not a reason more to live
If this is all the love my spirit can give
(Somehow we will get rid of the inside, the inside)
Just take it back tonight
There is not a reason more to live
If this is all the love my spirit can give
(Somehow we will get rid of the inside, the inside)
Just take it back tonight
There is not a reason more to live
If this is all the love my spirit can give
(Somehow we will get rid of the inside, the inside)
Just take it back tonight
There is not a reason more to live
