

Mad Behaviour

Izzy Bizu

[Verse 1]

You are the sweetest soul I've ever seen
So why am I burning green?
I don't know why I push your boundaries
Paranoia, that's my worst enemy
You are the sweetest soul I've ever seen
Every time I scream[Pre-Chorus]

You're the man I go to
You're the man I row to
You're the man I go
You're the man I row to[Chorus]

Savior reign me in
Don't mind my mad behavior

Savior reign me in
One day I will save you

Oh, out in the cold

Under the moon

Savior reign me in

One day I will save you[Verse 2]

Sometimes I push myself, right off the cliffs

I vanish in circling streams

I walk on water

Soar through the trees

I need your reassurance

You, you have my life in both your hands

I'm, I'm just a fish out of time[Pre-Chorus]

You're the man I go to
You're the man I row to
You're the man I go
You're the man I row to[Chorus]

Savior reign me in
Don't mind my mad behavior

Savior reign me in
One day I will save you

Oh, out in the cold

Under the moon

Savior reign me in

One day I will save you[Bridge]

Everywhere you go, I will follow you

Even if you tell me no
I will follow you
'Til we're old
Out in the cold
Under the moon[Chorus]
Savior reign me in
Don't mind my mad behavior
Savior reign me in
One day I will save you
Oh, out in the cold
Under the moon
Savior reign me in
One day I will save you[Outro]
I will save you
'Til we're old
Oh, we're old, oooh, ooh
