Close Enough

John Mellencamp

I may not be a pillar in my town
Or have the kind of job you think that I should
I know you see me out running around
With a couple of people you think are no goodI've tried to clean it up a couple of times but I'm a
Backslidin' fool when it comes to walkin' that line
It's okay if you think you're better than me
Yeah, that's all right, girl, that's all right'Cause I'm close enough for rock and roll
Close enough for rock and roll
Close enough for rock and roll
I'm close enough for a little rock and roll, yeah babyYeah, it's true, I don't plan my time
When you're lookin' for me, I'm hard to find
I know you don't wanna run around with me
With my socks fallin' down, girl, I'm just poor companyI've seen your face and it's a one-eyed Jack
We like to talk about this or that
None of these things really interest me
Hey, that's all right, girl, that's all right'Cause I'm close enough for rock and roll
Close enough for rock and roll
Close enough for rock and roll
I'm close enough for a little rockI know you think I'm a rough cut, baby
I ain't as rough cut as I am the blood on your hands
Gonna love that blood right off of your handsClose enough for rock and roll
Close enough for rock and roll
Close enough for rock and roll
Close enough for rock and rollClose enough for rock and roll
Close enough for rock and roll
Close enough for rock and roll
Close enough for rock and roll
