

# Superman

[Rick Astley](#)

I live in my apartment above a costume shop  
At night I creep down,  
And try on everything they've got  
'Cause I don't know who I am  
I don't know who I am  
Gotta find out who I am  
I don't know who I am

Sometimes I'm a space man  
Sometimes I'm Captain Hook  
Sometimes I'm a rodeo rider  
Or Chairman Mao with my little red book  
'Cause I don't know who I am

I sit on my roof top.  
Looking for a shooting star  
Baby dreams come true some times,  
'Cause there you are  
But you don't know who I am  
You don't know who I am  
Gotta find out who I am  
You don't know who I am

Sometimes I'm a space man  
Sometimes I'm Captain Hook  
Sometimes I'm a rodeo rider  
Or Chairman Mao with my little red book  
You could be my Wonder Woman  
I could be your Superman

I don't know who I am  
Anymore...  
Anymore..

Sometimes I'm Spider Man  
Trying to catch you in my web  
Sometimes I'm rolling for cover  
Under my bed  
I had the moment  
Well I don't know where it went

Baby I'm just Clark Kent

Sometimes I'm a space man  
Sometimes I'm Captain Hook  
Sometimes I'm a rodeo rider  
or Chairman Mao with my little red book  
You could be my Wonder woman  
I could be your Superman

I could be your Superman  
I could be your Superman  
I could be your Superman
