

Sugar Blues

Thin Lizzy

Now, I'm not the type to worry
Especially if it's concerning my health
Oh, no, I'd never worry
I'd much rather do something else I'm changing my point of view
Ever since I caught me the sugar blues Oh, that sugar
It adds a little sweetness into your life
Oh, sugar
Won't you add a little sweetness to my life? You see I'm changing my point of view
Ever since I caught me the sugar blues See I'm changing my point of view
Ever since I caught me the sugar blues
Yes, I'm changing my point of view
Ever since I got me the sugar blues You see I'm changing my point of view
Ever since I caught me
Ever since I caught me the sugar blues Oh, yes
I need me a sugar beet
I'm not the type that would complain
Just give me sugar cane
Gimme, gimme, gimme, gimme
Gimme, gimme, gimme, gimme
