

# To the Kill

## Violent Femmes

Ain't had no fun  
All the time jacking around  
Ain't had no fun  
All the time messin mindI kick it around  
But if it's alright with you  
If it's alright, yes I will  
Aw, c'mon babe  
Go ahead to the killI ain't no kid Chicago  
I ain't no Al Capone  
But there's a windy city  
In my bedroom aloneI said I don't live in Chicago  
I don't know no Al Capone  
That bitch took my money  
And went to ChicagoIf I ain't already enough  
Sick and alone  
Wher's it at  
It's down, down, it's downtown
