Helping Hand

The Fraggles

Everybody needs a helping hand
Take a look at your fellow man
And tell me what can I do today'Cause everybody needs a helping out
If that ain't what it's all about
Tell me what, what can I do
What can I do today?We've all seen trouble from time to time
There is a mountain ahead
I've got no strength to climb, heyIf you're feeling that you're strong
Reach out to me
I hope this journey won't take long
But won't you please
Have mercyEverybody needs a helping hand
Take a look at your fellow man
And tell me what can I do today'Cause everybody needs a helping out
If that ain't what it's all about
Tell me what, what can I do
What can I do today?What can I do todayI'm talking 'bout the soul all alone
Needing the daily bread
Someplace to lay his head, yeah, heyAnd I'm talking about the neighbor on your street
Won't you look him in the eye
Take time to speak
That's mercy, yeah'Cause everybody needs a helping hand
Take a look at your fellow man
And tell me what can I do todayEverybody needs a helping out
If that ain't what it's all about
Tell me what, what can I do
What can I doLove one another
Sister and brother
Love is the only way, heyEverybody needs a helping hand
Take a look at your fellow man
And tell me what can I do todayEverybody needs a helping out
If that ain't what it's all about
Tell me what, what can I do
What can I do today?Everybody needs a helping hand
Take a look at your fellow man
And tell me what can I do todayWell, everybody needs a helping out
If that ain't what it's all about
Tell me what, what can I do todayEverybody needs a helping hand
Take a look at your fellow man

And tell me what can I do today'Cause everybody needs a helping out
If that ain't what it's all about
Tell me what, what can I do
What can I do today?What can I do today
Everybody needs a helpin', helpin'
Everybody needs a helping hand
Everybody needs a helpin', helpin'
Everybody needs a helping handEverybody needs a helping hand
Everybody needs it, oh, everybody needs it
Everybody needs a helping hand
Everybody needs it, oh, everybody needs itEverybody needs a helping hand
Everybody needs it, oh, everybody needs it
Everybody needs a helping hand
Everybody needs it
