

# Why Don't You Love Me

Miss Li

X3

Why don't you, just love me  
The way you, used to do?

My hair still curly, my eyes still green  
I'm still the same, as when you loved me

X2

Why don't you, just love me  
The way you, used to do?

You said our love would never fade  
I'm still the same, why did you change?

X2

Why don't you, just love me  
The way you, used to do

Come back honey to me  
Come back honey to me  
Come back can't you see your mad for me

X4

Why don't you love me?  
Why don't you love me?  
Why don't you love me like you used to do?

Ohhhhhohhhohhhohhh

X2

Why don't you love me?  
Why don't you love me?  
Why don't you love me like you used to do?
