

# Tonight Will Be the Night

Limahl

The best thing about tonight's that we're not fighting.

Could it be that we have been this way before?

I know you don't think that I am trying

I know you're wearing thin down to the core

But hold you're breathe

Because tonight will be the night

That I will fall for you over again

Don't make me change my mind

Or I wont live to see another day

I swear its true

Because a girl like you's impossible to find

You're impossible to find

This is not what I intended

I always swore to you

I'd never fall apart

You always thought that I was stronger

I may have failed,

But I have loved you from the start

Ohh, But hold your breathe

Because tonight will be the night

That I will fall for you Over again

Don't make me change my mind

Or I wont live to see another day

I swear its true

Because a girl like you's impossible to find

Its impossible

So breathe in so deep

Breathe me in, am yours to keep

And hold on to your words 'cause talk is cheap

And remember me tonight when you're asleep

Because tonight will be the night

That I will fall for you over again

Don't make me change my mind

Or I wont live to see another day I swear its true  
Because a girl like you's impossible to find

Tonight will be the night  
That i will fall for you over again  
Don't make me change my mind

Or I wont live to see another day i swear its true  
Because a girl like you's impossible to find  
Your impossible to Find
