

# Love (Acoustic)

**Matt White**

And love, such a silly game we play  
Oh, like a summer's day in May  
What is love, what is love?  
I just wanted to be loved, oh, oh And I, I, I, I, I can feel it in your kiss  
It just gives me tender bliss  
What is love, what is love?  
I just wanted to be loved, oh, oh When I feel you around  
I was mad as hell when I hit the ground  
When I see you laugh away  
It hurts but I just won't say, oh oh, oh Love, who can tell me I am wrong?  
I just think that I am strong  
What is love, what is love?  
I just wanted to be loved, oh, oh When I feel you around  
I was so upset we fell on the ground  
When I see you're mad at me  
It was such a silly thing, oh And love, such a silly game we play  
It's like a summer's day in May  
What is love, what is love?  
I just wanted to be loved, oh, oh And I, I, I, I, I can feel it in a kiss  
It is something I will miss  
What is love, what is love?  
I just wanted to be loved
