

# The Third Rail

## Heathers

Ohhh  
This is where we're all gonna go  
Ohhhh  
This is where we're all gonna go Ohh ohhhhh  
This is where we stand  
Ohh ohhhhh  
This is where we stand  
Yeah this is where we stand Cause we don't know  
Many people see us when we go oh oh  
Yeah, We don't know  
Many people see us when we go oh oh  
Ohh ohh  
Don't be so shy, you're so beautiful ohhh  
Noo ohhh,  
This will pass  
Someday we'll remember it all Oh oh oh oh oh oh  
Oh oh oh oh oh oh  
Oh oh oh oh ohhoh Oh oh oh oh oh oh  
Oh oh oh oh oh oh  
Oh oh oh oh ohhoh You don't know anywhere better than I do  
(No you dont)  
You don't know anywhere better than I do  
So we crawl  
To the end  
Of the tunnel hidden deeper oh  
We will fight  
To defend  
or we crumble under up above  
You can hold your breath until it lets  
Everything end  
We will pay for all the thoughts we've spent  
Trying to forget You don't know anywhere better than I do  
You don't know anywhere better than I do Cause we don't know  
(You don't know anywhere better than I do)  
Yeah we don't know  
(You don't know anywhere better than I do)  
Cause we don't know  
(You don't know anywhere better than I do)  
Many people see us when we go oh oh

(You don't know anywhere better than I do)

Yeah we don't know

(You don't know anywhere better than I do)

Many people see us when we go oh oh

(You don't know anywhere better than I do)
