

# Diggin' On You (C.J.'s House Edit)

## TLC

I was like peace in a groove  
On a Sunday afternoon  
You were there so was I  
In the park 4th of July  
I was chillin' with my Kool-Aid  
When Miss Chilli came to relay  
That you had a thing for me  
Finest thing you'd ever seen  
I must admit to you  
I've heard them lines a time or two  
Although for some apparent reason  
Monkey lines are now in season  
Lights off, lights on  
I guess the groove is on so I am Diggin' the scene  
Diggin' on you  
Diggin' on me  
Baby bay-oh-baby baby  
It's on like that  
It's on like that  
I gotta be in love or somethin' like that I was like deep in a cool  
What'nt gone be nobody's fool  
Could not care less who was there  
Could've been like anywhere  
I was chillin' with my Kool-Aid  
Did not want to par-ti-ci-pate  
In no silly conversations  
Had no time for new relation-ships  
I must admit to you  
When I heard the lines you threw  
Although it usually turns me off  
But this time you have turned me on  
Lights off, Lights on  
I guess the groove is on and I am Diggin' the scene  
Diggin' on you  
Diggin' on me  
Baby bay-oh-baby baby  
It's on like that  
It's on like that  
I gotta be in love or somethin' like that Oh why do I feel the way I do

When all I can think about is you  
What was it in a line  
That made me fall for you  
Do you know  
Why I'm diggin' diggin' diggin' diggin' on youDiggin' the scene  
Diggin' on you  
Diggin' on me  
Baby bay-oh-baby baby  
It's on like that  
It's on like that  
I gotta be in love or somethin' like thatDiggin' on you  
It's on like that  
Diggin' diggin' diggin' diggin' on youDiggin' the scene  
Diggin' on you  
Diggin' on me  
Baby bay-oh-baby baby  
It's on like that  
It's on like that  
I gotta be in love or somethin' like that
