

Let Me Show You

Buddy Guy

Let me show you I love you
Each and everyday
I would not have in
Any other way
My mother, she taught me
How to show you my love
Because my ways in action
Speak much louder than words
Put your arms around my waist
And look direct in my face
And I'll show you I love you
And no one else can take your place
Let me show you I love you
Each and everyday
Because I would not never have in
Any other way
