

# Fireball (feat. Broken Back)

[Synapson](#)

I have a fireball inside of my head  
True from the flesh to the bones I drain  
And whenever the darkness knows your strike  
And I survived with the burn to the ground  
I have a fireball inside of my head  
True from the flesh to the bones I drain  
And whenever the darkness knows your strike  
And I survived with the burn to the ground  
I have a fireball inside of my head  
True from the flesh to the bones I drain  
And whenever the darkness knows your strike  
And I survived with the burn to the ground  
I have a fireball inside of my head  
True from the flesh to the bones I drain  
And whenever the darkness knows your strike  
And I survived with the burn to the ground  
I have a fireball inside of my head  
True from the flesh to the bones I drain  
And whenever the darkness knows your strike  
And I survived with the burn to the ground  
I have a fireball inside of my head  
True from the flesh to the bones I drain  
And whenever the darkness knows your strike  
And I survived with the burn to the ground
