

Yalla

Inna

[Verse 1]

Come on ladies get ready

The music is playing

One more time let's go crazy

Tonight, tonight, tonight

I'mma gonna take you so high[Chorus]

Can you hear my heart beating for you?

Dream wide awake, boy, make it true

Can you hear my heart beating for you?

Come on, come on, come on

Come on, come on[Post-Chorus: Arabic characters]
