The Rock That Makes Me Roll

Stryper

Verse 1
They say that rock and roll is strong
But God's the rock that makes us roll
Don't need no drugs to help us push on
We've got his power in our souls
Bridge
Stand up and fight
For what you believe in
We know...
Chorus
He's the rock that makes us roll
Rockin' all the world
Giving me the courage to be bold
Giving me just what I need
Always guaranteed
He's the rock that makes me roll - rock'n'roll
Verse 2
You say that rock and roll is strong
Yes, God's the rock that makes us roll
Don't need no drugs to help you push on
You can have His power in your soul
Repeat Bridge and Chorus
