

# For the People

## Monster Truck

Of the people, By the people  
For the people, Tell everyone.  
We will rise up, To fight your evil  
We the people, We'll overcome. We ain't part,  
Of the war that you are fighting in our name  
You can't say,  
It's for the good of this ol' country just the same.  
We don't want,  
A holy war, no we just tryin' to live in peace,  
Theres no way,  
We're proud of things you do to say the least. Of the people, By the people  
For the people, Tell everyone.  
We will rise up, To fight your evil  
We the people, We'll overcome.  
Cause I'm not ready to give up on us all. Said my dreams, aren't of airplanes,  
Ain't got no gold or silver to my name.  
I don't need, to win my battles,  
With a Pistol, any man would do the same.  
Don't say you, do this for us,  
When you don't even know who we are,  
We just need love, and our families,  
Sun on a cloudy day can go so far. And it's high time we remembered. Of the people, By the people  
For the people, Tell everyone.  
We will rise up, To fight your evil  
We the people, We'll overcome. Of the people, By the people  
For the people, Tell everyone.  
We will rise up, To fight your evil  
We the people, We'll overcome.  
Cause I'm not ready to give up on us all. Of the people, By the people  
For the people, Tell everyone.  
We will rise up, To fight your evil  
We the people, We'll overcome. Of the people, By the people  
For the people, Tell everyone.  
We will rise up, To fight your evil  
We the people, We'll overcome. Of the people, By the people  
For the people, Tell everyone.  
We will rise up, To fight your evil  
We the people, We'll overcome.
