Sweet Poison

Roxanne Tataei

Sweet Poison (Live) by Roxanne Tataei

(Iâ€™d look back â€¦â€¦..)
Iâ€™d never kill
but I could have killed you,
Iâ€™d never cry
but Iâ€™d cried rivers over you,
Iâ€™d never hurt
the way that you would hurt me,
didnâ€™t deserve me no,
you didnâ€™t deserve me.

Goddamn, you did it for a moment
for a split second
oh how you broke me
into little tiny pieces
you were so very adictive
bye, bye, dollman
my sweet sweet poison.

(I realised â€¦)
You called me a bitch
cause I say just how it was
you called me a cold
cause I say this wasnâ€™t love
you called me a babe
you always knew just what to press
I shouldnâ€™t expect no less,
I shouldnâ€™t expect

Goddamn, you did it for a moment
for a split second
oh how you broke me
into little tiny pieces
you were so very addictive
bye, bye, dollman
my sweet sweet poison.

Oh Goddamn
Oh Goddamn

Goddamn, you did it for a moment
for a split second
oh how you broke me
into little tiny pieces
you were so very addictive
bye, bye, dollman
my sweet sweet poison.
(Oh â€¦â€¦â€¦)
