Goodnight Trouble

Sarah Slean

I watched late night planes
Leave cool white trails
And my trouble took flight
Goodnight trouble
GoodnightI kissed my friend
And he took my hand
My trouble took flight
Goodnight trouble
Goodnight
Goodnight, goodnight, goodnight
Yeah, yeah, yeah, goodnightFree falling down
In my place among the clouds
And my trouble it took flight
Goodnight trouble
Goodnight, goodnight, goodnight
Goodnight trouble
Goodnight
