

# We're the League

## Anti-Nowhere League

Another boring night and I'm feeling pissed  
My head's fucked up and I'm in a mess  
Too many drugs have made me high  
I want to cause havoc, I want to die  
We are the League, with the extra man  
We are the League, we are the anti band  
So don't you say you're feeling bored  
The League are here and we have scored  
We are the League  
We are the League  
The Anti Nowhere League  
You criticize us, you say were shit  
But were up here and were doing it  
So dont you criticize the things we do  
No fucker pays to go and see you  
We are the League and we are mad  
We are the League and our musics bad  
Well fuck noise like youve never known  
And make you wished youd stayed at home  
We are the League  
We are the League  
The Anti Nowhere League  
We hate the dogs, we hate the man  
We hate the things we dont understand  
No time for love 'cause that aint class  
If you dont fucking like it, stuff it up your arse  
We are the League and we are mean  
We are the League and were obscene  
We dont give a toss for what you think  
'Cause all your views, they fucking stink  
We are the League  
We are the League  
So dont fuck with the League
