

Ain't Nothin' to Do

Dead Boys

Yeah, I'm so sick of TV
You know, I'm getting bored of the tubes
And I'm so sick of romance
I'm gettin' real sick of you

I wanna get on out of here
Find me somethin' to do
Yeah, get on outta here
Just ain't nothin' to do [Incomprehensible]

I'm so sick of FM
I don't play my stereo too
Just wanna get out on the street fights
Just ain't nothin' to do

Hey, get on outta here
Find somethin' to do
Yeah, get on outta here
Just ain't nothin' to do

There ain't nothin' to do
Gonna beat up the next hippie I see
Maybe, I'll be beatin' up you
Look out, babe, here I comes

Yeah, punch out
There ain't nothin' to do
There ain't nothin' to do
Just ain't nothin' to do

I'm gonna knock down the next old man I see
Maybe I'll knock down you

There ain't nothin' to do
There ain't nothin' to do
There ain't nothin' to do
There ain't nothin' to do
Nothin' to do, nothin' to do
