## Walk With Me In Hell

## **Lamb of God**

Pray for blood, pray for the cleansing Pray for the flood, pray for the end Of this nightmare, this lie of a life Came as quickly as it can dissolve We seek only reprieve And welcome the darkness The myth of a meaning So lost and forgottenTake hold of my hand For you are no longer alone Walk with me in HellPray for solace, pray for resolve Pray for a savior, pray for deliverance Some kind of purpose, a glimpse of a light In this void of existenceNow witness the end of the age Hope dies in hands of believers Who seek the truth in the liar's eyesTake hold of my hand For you are no longer alone Walk with me in HellWalk with me in Hell Walk with me in HellTake hold of my hand For you are no longer alone Walk with me in Hell Walk with me in Hell Walk with me in HellYou're never alone You're never alone You're never alone You're never alone You're never alone Walk with me in Hell
