See Me on Top

Big K.R.I.T.

[Hook:]
When I get a million, gator toll retiling
Lamborghini killing them, money in my ceiling
When I get my bread up, like I got a bread truck
If I got a potna pissing when I lift my head up
See me on top (yeah)
See me on top (yeah)
See me on top (cheah)
See me on top (cheah)
See me on top[Verse 1:]
All I want is money, all I see is paper
I don't know you shit (shawty) motherfuck a favor
Motherfuck a hater (yeah) praying to my maker
Tomorrow ain't promise I'll might just see him later
I'll might just get my cake up and never have to rap
I'll might just sell a million and never hit the trap
House full of plagues, wall full of racks
I might get me a bad bitch and never come back
Like how he done that, fly out for the struggle
Past in my trunk, future in my duffle
Amurge from the rubble, cracks in the streets
If I had a chance but gift is all I need[Hook:]
When I get a million, gator toll retiling
Lamborghini killing them, money in my ceiling
When I get my bread up, like I got a bread truck
If I got a potna pissing when I lift my head up
See me on top (see me on top)
See me on top (see me on top)
See me on top (see me on top)
See me on top (see me on top)
See me on top[Verse 2:]
All I want is peace, what the fuck is pain?
You can work for bullshit, I can do the same
I'm deep in the game, shit'll drive ya crazy
Smile once or twice, now look at how they play me
I bet'chu think they paid me, bet'chu think I blew it all
Mad cause I'm from Mississippi scared cause I do it all
What'chu mean you do it all, yeah I really do it all
Produce and mix my own shit, out rap all of y'all

Ain't no scared to take a fall, nay ain't really signing checks
Take this for the non-believers asking why I ain't signing yet
Asking why I'm ain't dying yet, like what I'm supposed to do
I'm Big KRIT bitch, so who the fuck is you?
