## Blonde Redhead

The way we go  
All too soon  
Away, far away  
From all we know  
To all we deny  
To see your smile  
With a crown on your head  
To meet those who care  
To not be sincere  
And not care  
Nothing to share  
I just want him back  
I never felt a need  
To be so brave  
I stand on my head  
With my breath so relaxed  
Even I could relax  
To see your smile  
For all my love  
All this too soon  
The way we go
