

# Pfft You Were Gone

Buck Owens

Down here on the farm the weather gets messy laying around with nothing to do  
When you went away you took my cow Bessie I miss her darling more than I miss you  
You took off your leg your wig and your eye-glass  
And you should've seen the look on my face  
I wanted to kiss I wanted to hug you but you were scattered all over the place  
Where oh where are you tonight why did you leave me here all alone  
I searched the world over and I thought I'd found true love  
You met another and (pfft) you were gone I know that you loved me here's my way of knowing  
The proofs hanging out right there on the line  
When I see the snow and feel the wind blowing  
Your nighties hugging them long johns of mine  
The noises you made at our supper table your habits my dear, were surely absurd  
But how many times do I have to tell you soup is a dish to be seen and not heard  
Where oh where...Remember you phoned me a sobbin' and cryin'  
The dog bit your maw and drug her around  
You said she looked pale and thought she was dying  
I said don't worry I'll buy a new hound  
I had six kids and you had eleven and we had eight more and they grew like flowers  
I wish you'd come back without you ain't heaven  
Cause your kids and my kids are beatin' up ours  
Where oh where...
