

# Nothing Better to Do

## Kelsey's Woods

Ain't got nothin' better to do  
Since your broke my heart in two  
Fill up on wine and cigarettes  
The last two things here that you left

I've tried to drown out of my head  
Every word you ever said  
If it takes forever, it won't be any use

Might sit up all night and drink  
Along with all the thoughts I've think  
Ten of every nine are you  
When I ain't got nothin' better to do

I'm gonna drown out of my head  
Every word you ever said  
If it takes forever, it won't be any use

### INSTRUMENT BREAK

Think I'll write a brand new song  
If it ain't no good, it won't take long  
About a girl who's probably you  
'Cause I ain't got nothin' better to do

I'll find a three quarter time and an old familiar time  
That I stole off some long forgotten tune  
& if my song is good enough  
It still won't bring me back your love  
So if I get drunk and I sing the blues  
It's 'cause I ain't got nothin' better to do

If I get drunk and I sing the blues  
It's 'cause I ain't got nothin' better to do
