Pigface

the pig...face...no bones about'er
a big master*?*...bring ugly woman and girls...
she's so great...she *?*...
ugly woman...pigface...come standing upright...*?*
big master*?* above my head...
big ugly woman...well she's jealous...
i'm alive...goddamn alive...she cares...
pigface...she see them cry...*?*
ahh...to take from my lawn(loins?)...
