

Gutterchild

Vice Squad

... An element of magic
Stolen from a childhood dream
Don't feel I'm in danger
On cloud nine float so sereneSuffering from overwhelming stress
Retreat from the situation
I'm a damsel in distress
Put myself in isolationA quick cure for depression
Unaware of the suicide
To end it all this way
So many times I've triedIt will blow my mind away
A dazed lamb to the slaughter
Weakened too much for defence
Drowning in troubled water
