

Evrybody

Todd Rundgren

Evrybody, Evrybody, Evrybody
Clap your hands!
(repeat 3x)Evrybody can't paint the Mona Lisa
Evrybody can't be a millionaire
Evrybody can't make the perfect pizza
Evrybody's here so we just don't careBecause we're all together again
(repeat 4x)Evrybody can't be El Presidente
Evrybody can't be the talk of the town
Evrybody can't lead a life of plentay
Evrybody's ready to get on downBecause we're all together again
(repeat 4x)Evrybody can't have the Life O'Riley
Evrybody can't be a movie star
Evrybody can't get a twerk from Miley
Evrybody here'd rather hit the barBecause we're all together again
(repeat 8x)Evrybody, Evrybody, Evrybody
Clap your hands!
(repeat 3x)Evrybody don't need a mini mansion
Evrybody don't want an 80 foot yacht
Evrybody don't need the latest fashion
Evrybody needs what we already gotBecause we're all together again
(repeat 6x)
